1. Fluorescent In-Situ Hybridisation (FISH)
2. Immunofluorescence in Pathology
3. Molecular Pathology, including LOH
4. Video presentation on Molecular techniques
5. Debate– The Beginning
6. Slide Seminars

Dear Colleagues,

It gives us immense pleasure to invite and welcome you to be a part of the 15th Annual CME on the theme “Cutting Edge in Pathology” to be held on the 15th and 16th September 2012 at the Armed Forces Medical College, Pune.

The bouquet of academic activities have been arranged keeping in mind various cutting edge techniques and concepts spanning a wide spectrum of topics in Pathology, which are of practical importance and have made significant impact in current day diagnostics.

Pune, is the cultural and educational capital of Maharashtra. In addition, there are many religious places and tourist attractions in the Sahyadri hills and along the Arabian coast that are just a few hours leisurely drive from Pune. You may plan your programme so that you may include some sight seeing around Pune.

I appeal to you to register early for the CME programme allowing us to look after you in a planned manner. You are requested to use the enclosed registration form for early registration. Please inform your faculty, postgraduates and colleagues about the details of the conference.

(Brig Vibha Dutta)

Organising Secretary
