Expanding Vistas In Pathology & Hematology  
An Update

**SCIENTIFIC PROGRAMME TOPICS**

1. Anaemias
2. Minimal Residual Disease
3. Bleeding Disorders
4. Plasma Cell Dyscrasias
5. Molecular Biology in Hematology
6. Leukemias

Dear Colleagues,

It gives us immense pleasure to invite and welcome you to be a part of the Update in "Expanding Vistas in Pathology & Hematology" to be held on the 17<sup>th</sup> and 18<sup>th</sup> September 2012 at the Armed Forces Medical College, Pune.

Several academic activities have been planned keeping in mind new techniques and concepts spanning a wide spectrum of topics in Hematology & Pathology, which are of practical importance and have made significant impact in current day diagnostics.

Pune, is the cultural and educational capital of Maharashtra. In addition, there are many religious places and tourist attractions in the Sahyadri hills and along the Arabian coast that are just a few hours leisurely drive from Pune. You may plan your programme so that you may include some sight seeing around Pune.

I appeal to you to register early for the programme so that we can make appropriate arrangements. You are requested to use the enclosed registration form for early registration. Please inform your faculty, postgraduates and colleagues about the details of the conference.

**(Col Jyoti Kotwal)**

Organising Secretary
